Warm Welcome

Dear participants,

It is with great excitement and pride that we welcome you to the EHL Biennial 2025.

At EHL, we have always strived to create an environment that nurtures excellence in education, fosters innovation, and shapes the leaders of tomorrow.

The Biennial 2025 is not only a reflection of our commitment to these values but also an opportunity to connect, share knowledge, and inspire one another as we continue to build on our legacy of academic distinction and global influence.

During your stay, we will have the chance to engage in meaningful discussions, explore new ideas, and chart the course for the future of hospitality and education.

As you browse through this booklet, we hope you will find valuable information to help you prepare and make the most of your stay.

Thank you for being a part of this special occasion. We look forward to exchanging ideas with you.

Warm regards,

The Certification Office
